Free hot dogs were provided by the Lodge to all military personnel from 11:30 am to 1 pm in the USO buildings on post. This event gave us something we have been looking for a rationale for helping our troops and enhancing their morale. We also wanted to help support the USO's Ft. Drum mission to provide the military with a variety of services, outreach programs, and morale boosting events. Many of our troops have deployed in Iraq and Afghanistan and are scheduled to be rotated back there again. Obviously, there is a profound need for more services! The morale of our troops remains a top priority for

our lodge.
