State Soccer Results

I am pleased to announce that this year's NYSEA State Soccer Shoot hosted by Oswego Lodge #271 on October 26th was a great success. Oswego Lodge should be applauded for the great job they did from arranging the tournament to the meals they prepared. We had 29 participants who traveled across the state to compete. The first place winners advance to the Area 1 competition in Augusta Maine the weekend of November 7th-9th.

I am also pleased to announce that our State President Jerry Shook was able to attend and assist in our awards presentation.
