

GRAND LODGE CONVENTION HIGHLIGHTS

Michael DuBray, PER, of Glens Falls Lodge #81, was recognized at the new York State Broadcasting summer conference with a Award in Excellence for his Elks/Veterans promo. The promo aired on Veterans Day, 2014. DuBray wrote, produced and voiced a commercial thanking veterans for their service. He is a mid-day host and account executive for 98.5 WCKM-FM. DuBray wrote the commercial in honor of his stepfather, John Michael Berney, a Vietnam Veteran. He was a member of Brunswich Lodge #2556. His efforts were also recognized at the Grand Lodge convention during the Veterans Commission presentation. He is pictured receiving congratulations from Grand Exalted Ruler Ronald Hicks.

The New York State District Deputy designates gathered together following the State Formal dinner and recited the Eleventh Hour toast in unison as the Dial of Night struck 11PM. They were joined by State President John Jacques. This has become an annual Grand lodge Convention tradition.

The NYSEA Major Project booth received a Five Star Award during judging. Major Project Chair Irene Pashley is pictured with her husband Jan and NYSEA Major Project Chairman Jamie Peace at the booth.
